

CWSF Mentor Form Contribution from a Recognized Institution

For complete instructions, see Registration booklet/Pour les instructions précises consultez la brochure d'inscription

2001

Preamble

The Science Fair participant(s) that you have generously agreed to help has chosen to develop one of three types of project: **Experiment, Study or Innovation**. Please note that this project is subject to the Policy, Procedures and Guidelines of the Youth Science Foundation Canada and any applicable federal, provincial, or municipal legislation. If you wish to do so, you may request a copy of the YSF rules governing projects from the participant or visit the official Youth Science Foundation Canada site at www.ysf.ca.

The Youth Science Foundation Canada wishes to thank you for your help and encouragement.

Participant's first name and family name		Participant's first name and family name			
PLEASE check only one of the following					
Experiment a scientific experiment that tests a specific hypothesis Project title:	Innovation the development and evaluation of new devices, models, techniques, or approaches in fields such as engineer computers or technology	reveal evidence of a scientific fact, situation or
