

Map of Kingston with directions to Queen's University

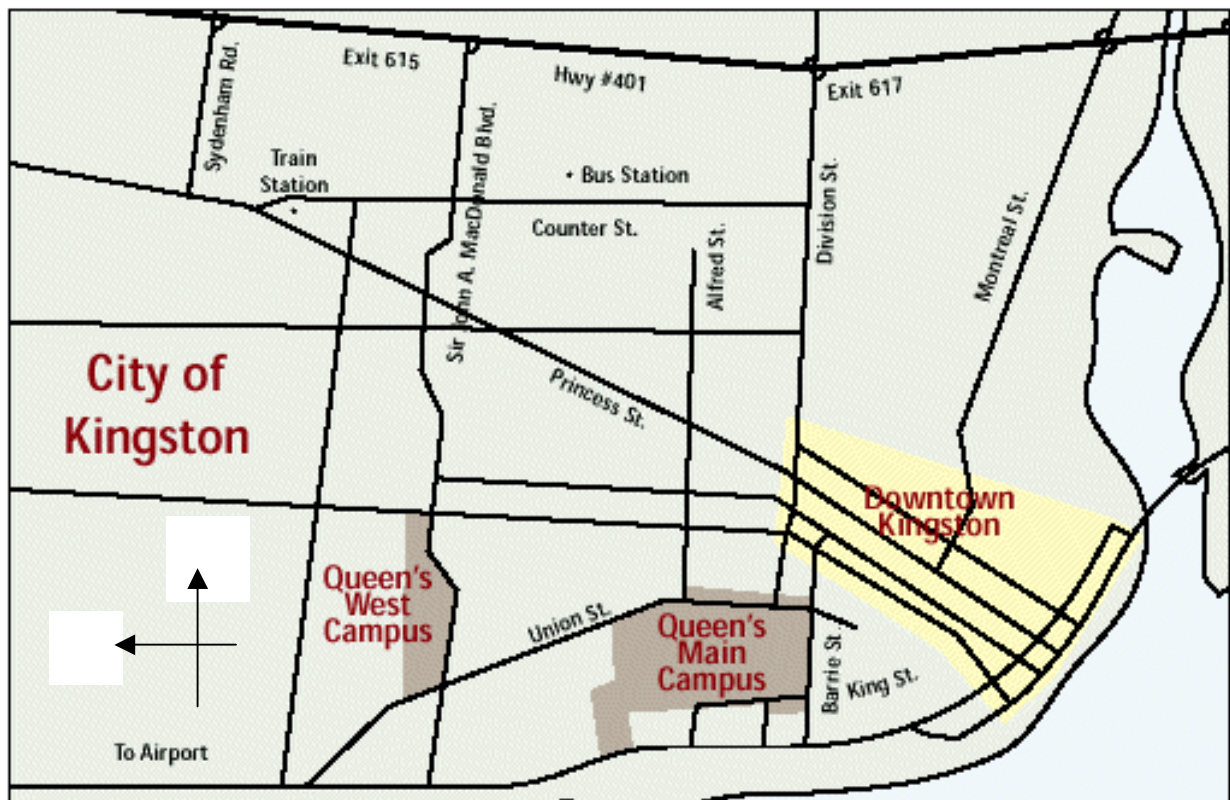

By car:

From the west, take exit 615 from Hwy 401 and proceed south on Sir John A. MacDonald. Turn left on Union Street and proceed approx. 1.5 km to Queen's Main Campus (see campus map below)

From the east, take exit 617 from Hwy 401 and proceed south on Division St. until Division ends at Union St. At this point you are on the Queen's campus. The Phys Ed complex is on the northwest corner of Division & Union (see campus map below).

By bus, train, or plane: The bus & train (VIA) stations are marked on the map. The airport is off the left edge of map, to the west. Take a taxi to Queen's Main Campus (see campus map below)

North is in direction of top of page.

Map of Queen's University Main Campus

Once on Campus: [Note that this campus map has been rotated 90 degrees relative to the one above!] The Canada-Wide Science Fair will be held in the Phys Ed Centre and Jock Harty Arena, **number 15** on the map, near the corner of Union Street and Division Street. Entry to the building is from Union Street. On-campus parking is not available except in the underground garage shown with the diagonal hatching (to the upper right of the words "University Ave"). Free on-street parking is available a few blocks to the northwest of the campus (just off the left of the lower left part of the map).

North is to the left **Building 15 is the Phys Ed Centre & Jock Harty Arena**
